

Reception

Please aim to read with your child every day. 10 minutes is fine. The little and often approach always works best and is one we adopt in school. Please continue to practice reading and writing the High Frequency words. For Numeracy, the focus is always on numbers to 20, this includes ordering, one more and one less, addition and subtraction of 2 single digit numbers i.e. 6+3 or 7-5 etc.

Some useful websites:

Twinkl- provides a whole range of printable resources

Setting this up is really easy to do - go to www.twinkl.co.uk/offer and enter the code UKTWINKLHELPS

Reading and Writing

- Oxford reading buddy - great range of books

<https://www.oxfordreadingbuddy.com/uk>

- Phonics Play:
 - Ob and Bob
 - Buried Treasure
 - Dragon's Den

<https://www.phonicsplay.co.uk/Phase3Menu.htm>

- Top marks Phonics

<https://www.topmarks.co.uk/english-games/3-5-years/letters-and-sounds>

- Alpha Blocks <https://www.bbc.co.uk/cbeebies/shows/alphablocks>
- Phonics Bloom

<https://www.phonicsbloom.com/uk/game/list/phonics-games-phase-3>

- Crickweb- Mixture of interactive resources for phonics and maths

<http://www.crickweb.co.uk/Early-Years.html>

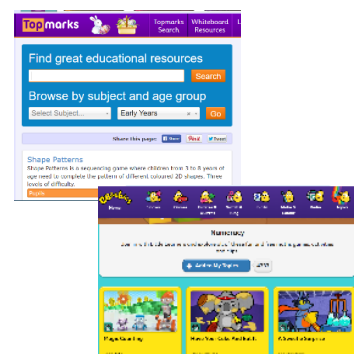

- Primary games arena <http://www.primarygamesarena.com/Years/EYFS>

Numeracy

- Top Marks Maths- There is a range of games to play.

<https://www.topmarks.co.uk/Search.aspx?AgeGroup=1>

- CBeebies Maths <https://www.bbc.co.uk/cbeebies/topics/numeracy>
- Nrich maths <https://nrich.maths.org/9086>
- STEM activities <https://www.stem.org.uk/resources>

- Number blocks <https://www.bbc.co.uk/cbeebies/shows/numberblocks>

ICT

- Beebot App

More ideas...

- Creative activities based on current topic once upon a time - focus on a different fairy tale a week - Pinterest has good creative activities to do at home
- Read books together
- Handwriting - forming letters correctly - look at letterjoin
- Work on phase 2 and 3 sounds - see if they can write words with different sounds in it.
- Number pack we provided last year has different activities to do with numbers to 20 - order numbers to 20, addition, subtraction, 1 more 1 less to 20, missing numbers, play bingo, spot the shapes, go on a shape hunt around the house look out for 2D shapes - discuss the properties for example sides and vertices
- Board games to help turn taking and social skills
- PE with Joe Wicks in the morning on YouTube, basic skills such as hopping jumping on one leg, balancing for 5 seconds - 10 seconds outdoor activities
- Talk about healthy eating - design a healthy food plate or packed lunch
- Design then make a model or building things using instructions
