

BRUNTON FIRST SCHOOL

**Impact of the
Primary PE
and Sport
Premium
2020/21**

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31st July 2021** at the latest.

**** In the case of any under-spend from 2019/20 which has been carried over this must be used and published by 31st March 2021.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2021:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • CPD for Year 1 & Year 2 staff, focusing on the teaching of Fundamentals of Movement and invasion games. • Increased opportunities for pupils to experience a broader range of sports and activities. • Raised the profile of Paralympic sports. • All children had access to 30 minutes of activity through Fundamentals of movement activities. • Continued to engage pupils in structured playground activities. <p>Due to Covid restrictions only 59 % of PE funding money was used and 31% was carried over to the next school year.</p>	<ul style="list-style-type: none"> • CPD for whole school, focusing on the teaching of gymnastics, showing a clear progression of skills pathway. • To continue to offer pupils two sessions of PE per week (one inside and one outside) • Use data from PE assessments to identify pupils who require interventions to develop Fundamentals of movement skills. • To create a PE curriculum, which shows a clear progression of skills. • Continue to offer pupils the opportunities to participate in competitions and festivals. • To identify new CPD opportunities for staff.

Did you carry forward an underspend from 2019-20 academic year into the current academic year? YES

If YES you **must** complete the following section

If NO, the following section is **not** applicable to you

If any funding from the academic year 2019/20 has been carried over you MUST complete the following section. Any carried over funding MUST be spent by 31 March 2021.
